## Landscaping Laborer Call-out

With spring just around the corner, TDA is reaching out to the Community, to hire seasonal laborers to assist with the maintenance work this coming spring/summer/fall seasons.

We're looking to build a roster of reliable Casual Laborers to support our seasonal landscaping and grounds maintenance work. This is an excellent opportunity for anyone who enjoys working outdoors, staying active, and contributing to the upkeep of community spaces.

### About the Work

Casual laborers will assist with a variety of landscaping and maintenance tasks, which may include:

- Lawn mowing, trimming, and edging
- Raking, debris cleanup, and general yard maintenance
- Planting, mulching, and watering
- Assisting with seasonal clean-ups (spring/fall)
- Light equipment operation (training provided)
- Other duties as assigned by the maintenance team.
- The team will consist of the Maintenance Lead who will oversee three Laborers.
- The Laborers will work one week on, one week off.
- The work will consist of garbage removal and grass maintenance along Buffalo Run and Taza Park.

Work will be on-call/as-needed, depending on weather conditions and project requirements. Shifts may vary in length and can occur on weekdays and occasional weekends.

### What We're Looking For

- Reliable, punctual, and willing to work flexible hours.
- Comfortable working outdoors in varying weather conditions
- Able to lift up to 40–50 lbs.
- Positive attitude and ability to take direction.
- Experience in landscaping or groundskeeping is an asset but not required.
